Information & Kit List

Oaker Wood Leisure

Oaker Wood is based in North Herefordshire. In 175 acres of mature woodland, in the heart of the countryside. We are 10 minutes from the market town of Leominster, 20 mins from Ludlow, half an hours drive from Hereford and 1 1/2 hours from central Birmingham, yet once you arrive you feel a million miles away.

Accommodation is based in Glamping Villages which are exclusive to each group and feature wooden sleeping pods which have bunk beds, lights and heaters, showers, toilets, covered dining and kitchen area, camp fire and Scandinavian style Barbecue hut.

Sorry – we DO NOT accept dogs on site.

Covid-19 Procedures

You have exclusive use of your Glamping Village.

Between groups, in addition to our regular meticulous cleaning procedure, the village will be cleaned with disinfectant, including all benches, work surfaces, pods, showers, toilets and all other areas.

All crockery & cutlery is taken to our catering kitchen and cleaned in the dishwasher.

All visitors are required to provide name and contact details on arrival, and confirm that they have, or anyone they live with have no symptoms.

GLAMPING FACILITIES

Your group will have exclusive use of the Glamping Village and all facilities. An arrival time will have been agreed in advance and we recommend that the group organiser arrives on site first and reports to the main office, by the main car park.

You will be shown to your Glamping Village and we will give a Camp Induction explaining all the facilities, and our COVID-19 procedures.

It is the responsibility of the group leader/ main booking contact to pass all information on to all other group members.

Arrival & Departure

Check in is from 4pm on the day of arrival, and check out at 10am on the day of departure.

SLEEPING

Accommodation is in wooden Pods. Please see attached plan of your camp. Most pods sleep up to 8 people on 4 bunk beds. However, your village has 2 pods which are split in half, creating 4 half pods, each sleeping up to 4 people. These are perfect for members of your party wanting more privacy. We will discuss your pod allocation prior to arrival.

Oaker Wood provides a fitted sheet for each bed, the beds will need to be made up by yourselves, as due to Covid-19 once we have cleaned and sanitised the pods we do not re-enter them.

Group members need to bring pillows, sleeping bag or duvet, blankets etc. The Pods have electric heaters and lights and sockets.

KEYS

Pods can be locked from the inside.

We will give you a key to the main gate of the site which is locked at night. Please ensure the main gate is locked when you leave and return to the site in the evenings.

INTERNET

There is no WIFI in the camp villages but there is 4G signal with most providers.

COOKING & EATING

Our covered dining area and kitchen has ample seating. There is electric lighting and electric sockets.

Camp Boundaries

Your Glamping village is surrounded by a clear fence boundary.

When walking around the site please use the main roadways.

The large field bordering onto your village is not owned by Oaker Wood but our kind neighbouring farmer agrees that people staying in the Glamping Villages may use the field for balls games, but they should respect any stock in the field and stay within a football pitches width from the fence.
