

Glamping Village Barbecue Hut

Our Barbecue hut is 17m² and can seat up to 20 people. Built using the traditional Scandinavian design, the interior is furnished with comfortable benches surrounding a central barbecue.

The hut is located within our Glamping Village and can be used by your group whether you are catered or self catered.

Self Catered

You can bring your own meat and salads to cook or you can purchase one of our Barbecue packs (pre-ordered). Please note you will need to purchase charcoal briquettes for use in the barbecue hut direct from Oaker Wood Leisure by the bag.

Catered

You can select to have one of your evening meals in the Barbecue hut. We will provide you with a range of salads and a meat pack so that you can enjoy the experience of a home from home barbecue. (Charcoal for cooking the meal will be provided, additional bags will need to be purchased).

The BBQ Hut will be provided to you in a clean and tidy condition.

We expect the hut to be left in the same state after your use.
